

SBE Grants

The Spanish Biophysical Society (SBE) kindly funds a limited number of grants (250 €) for young researchers to attend the 7th International Iberian Biophysics Congress.

Requirements

The applicant must:

- Be a Pre-Doctoral Student at the time of application or a Post-Doctoral Researcher who has obtained the Ph.D. degree less than three years ago.
- Be an Ordinary or Associate Member of SBE.
- Submit an abstract for the Congress
- Prove attendance to the meeting.

How to apply

Please submit the following documents in your application:

1. Application Letter (in free format, but indicating the requested modality: A or B)
2. Short CV
3. Proof of SBE membership
4. Abstract to be submitted to the congress as first author

Notes

- The award decision announcement will be no later than 20 March 2020, giving time for applicants to register for the Congress before the early bird deadline by 31 March 2020.
- Grants will be awarded according to the scientific significance of the application submitted.
- Preference will be given to those applicants who had not received a grant to attend any of the previous SBE Congresses.
- The funds will be transferred after the event.
- Awardees will not receive more than one grant for attending the 7th International Iberian Biophysics Congress
- Awardees will accept the commitment to be SBE member at least until the end of December 2022.

Application Deadline: 16 March 2020

Applications should be sent by email to the SBE Scientific Secretary: José M Mancheño
